

Democratic Women's Club of Florida

62nd Annual Convention

September 13-16, 2018

Orlando Marriott at Lake Mary

The Democratic Women's Club of Florida is holding its 2018 State Convention from September 13th through the 16th, at the Orlando Marriott at Lake Mary, Florida. The DWCF is an active organization of Democratic women, with over 50 individual clubs throughout our State, who are working together to make Florida a better place for all of its residents. Our goals are to educate and encourage the citizens of Florida to not only register to vote, participate in the election process, but to promote Democratic values. We encourage and financially support qualified Democratic women and men to seek elective office and to be prominent advocates for legislation that furthers democratic values.

The DWCF Convention Committee is bringing together an impressive group of outstanding speakers and workshops for 2018 on the theme **Democratic Women: All Issues are Women's Issues**. We invite you to become a part of this special convention and celebration by becoming a DWCF Convention sponsor. We are reaching out to individuals and organizations all over Florida, and your support will be recognized and appreciated.
